

Architectural elevation drawing of a long building facade. The facade features a series of vertical elements, possibly columns or windows, and a row of small, square windows. The building is situated between two streets: "via Giunta" on the left and "Strada Provinciale" on the right. The drawing is a black and white line art.

Architectural elevation drawing of a building facade. The drawing is oriented horizontally, with the ground line at the bottom. The building is composed of several sections. On the left, there is a section with a width of 3.00. To its right is a taller section with a height of 10.60. Further right is a section with a width of 3.50. To the right of that is a section with a height of 5.00. On the far right is a section with a width of 6.00. The building features a series of vertical elements, possibly columns or panels, and a central entrance. A signature 'M. G.' is visible on the left side. The drawing is labeled 'Strada Provinciale' on the left and 'via Giunta' on the right.
